ABOUT US

CRELIANCE ACCOUNTANTS LLP (“Creliance”) is a newly set up audit and accounting firm which provides a wide range of high quality financial services (audit, accounting, tax, consulting and business advisory) by a group of dedicated young talented professionals who delivers the best to our valuable clients in a timely and cost effective manner. The team has been working together for more than 10 years and has now formed Creliance.

Creliance is registered with the Mauritius Institute of Professional Accountants as Public Accountants and with the Financial Reporting Council as Audit Firm.

Creliance is an independent member of **SGA World** which is International Accounting Network, association of professional audit firms, tax advisory firms, accounting firms & Legal firms.

Creliance ... *“Clearly Reliable”*

OUR MISSION & VISION

MISSION -

Creliance is an audit and accounting firm that offers a broad range of services to meet the needs of our clients in an environment that encourages personal and professional development and a passion for the firm's core values. We delivers timely, quality professional services in an ethical manner.

VISION -

Creliance wants to be recognised as a professional service organisation that establishes an ultimate balance in providing outstanding client service, a focus on family and the financial success of the firm. This will be accomplished by creating a culture of pride and passion that will enable us to continue attracting and retaining the best and brightest professionals, who will be rewarded, recognised and respected for their contribution to a firm that is founded on shared core values.

Why choosing CA LLP?

- We are an existing team working under a new name
- Our strength is our team spirit, experience and co-existence
- We develop a smart and highly professional way of doing things
- We are flexible, we adapt quickly to client needs and deliver on time high quality deliverables
- We help you applying and implementing new and revised IFRSs
- We use latest software and technologies which help to generate full IFRS compliant financial statements and Group consolidated FS
- We are up to date with tax and other regulatory changes or amendments.

OUR SERVICES

- Audit and Assurance
- Accounting and Compilation
- Tax Services and Advisory
- Company set-up and Corporate Secretary
- IFRS Consulting
- Financial Advisory and Consultancy
- Business Plan and Business Valuation
- Technology Consulting
- HR and Payroll Consulting

AUDIT AND ASSURANCE

During the audit, we focus on the evaluation of the systems, procedures and practices from which the data is being generated, the quality, security, accessibility, reliability, accuracy, completeness and authenticity of the data and its relevance, timely availability and utility to management.

We effectively use audit software, Caseware Working Papers, to enable us to concentrate on areas that hold greater importance to clients business and reduce the time spent on audit significantly.

We provide a wide range of assurance services principally:

- External Audit of Financial Statements
- Review of Financial Statements
- Agreed Upon Procedures
- Compilation Report
- Group Audit
- Special Purpose Audit

INTERNATIONAL AFFILIATION

Creliance is affiliated with a UK based international network named SGA World.

“SGA World is an international network of independent audit, tax, accounting and consulting firms around the world.”

We are proud to be the first African Member Firm of the network.
